

1915 OSHA 10-HR - MARITIME INDUSTRY

Students will be introduced to OSHA policies, procedures and standards as well as Maritime safety and health principles covered in OSHA ACT Part 1915. Special emphasis has been placed on those areas in the maritime industry that are the most hazardous, using the OSHA 29 CFR 1915 as a resource. Upon successful completion of the course, participants will receive an OSHA 10-Hour Maritime 1915 Outreach DOL course completion card.

Topics Include—

- An Introduction to OSHA
- Electrical Safety
- Confined and Enclosed Spaces
- Fire Protection
- Walking / Working Surfaces
- Hazard Communication
- Respiratory Protection
- Fall Protection
- Personal Protective Equipment

Gain information that you can carry back to work and implement to make a difference in your employee safety.
