

Mobile Chapter ASSE
Regular monthly meeting 11:30 AM September 16, 2009
White-Spunner Construction 2010 S Beltline, Mobile, AL

The first meeting of the 2009-2010 was called to order by Ms Avis Beasley at 11:50 AM, a list of those in attendance is attached, and there was a quorum present. An additional agenda item was Mr. Kurt Petermeyer, ASP, CFEI, and Area Director OSHA Region IV. His presentation included recruiting, OSHA update, and questions from the group. It can now be announced that Mr. Petermeyer may be a featured part of the monthly meeting and a contributor to the news letter in Kurt's Korner.

Mr. Doug Daniel, Business Development Coordinator, Industrial Medical Clinic, Infirmary Health System delivered a rapid paced presentation on Random Drug Testing. It served as a Best Practices for any program and expanded into a guide for what to do and what not to do. The key point being the original written random testing program is the anchor for success. Next are the all important Medical Review Officer, the lab, and the chain of custody. Supervisor's reasonable suspicion of substance abuse was presented with the core values being policy & consistency. Infirmary Health System offers a two hour course with one hour each on drug awareness & initial action. Beyond this Doug addressed DOT regulations, professional associations, the five panel test, ten panel test and what may be expected in the future.

The meeting was adjourned by Mr. Torrey Garrison at 1:00PM and members were encouraged to remain and meet and greet and visit with OSHA, there was a brief officers meeting. The next meeting will be on October 21, 2010 at 11:30 held at White-Spunner Construction, 2010 S. Beltline Mobile, AL.
