WHO NEEDS A LAUGH?

A safety officer went to a costume party with a girl on his back. "What are you supposed to be?" the host asked. "I'm a snail," the safety officer replied. The host raised his eyebrows. "How can you be a snail when all you've got is that girl on your back?" "That's not a girl," the safety officer replied. "That's Michelle."

Be sure to always check out our National ASSE site for upcoming safety training sessions and seminars. The internet address for the training and seminars is:
